## Company Overview

Fire and Life Safety Consultants, LLC (FLSC) is a professional small business providing comprehensive fire and life safety system design, engineering, and installation services. We specialize in the procurement of state-of-the-art fire protection equipment, and we maintain a deep understanding of the latest codes, standards, and technologies.

Our full-service team boasts strong alliances with the best contractors and manufacturers in the industry, and we are proud to have served the federal government for many years. Please don't hesitate to contact us for more information on our services or our federal contracting capabilities. We're always happy to help!
